

RETROFITTING THE LADY

FIND THE RIGHT FIT FOR YOUR BODY TYPE WITH OUR MEASUREMENT GUIDE

How to Measure

For your body measurements, please keep the tape measure taut and follow the below guidelines. We recommend asking a friend to measure you for accurate measurements.

A. BUST

Measure under your arms and across shoulder blades, around the fullest part of your bust. Hold one finger between body and tape.

B. Waist

Measure around your natural waistline while holding one finger between body and tape. This is the smallest part of your waist

C. HIPS

Measure around fullest part of your hips (about 20 – 24 cm down from waist) while standing naturally.

PANT AND SKIRT LENGTHS

Pants and skirts will vary in length depending on the height of each individual and also their shape. All pants come with a hem allowance allowing for easy alterations.
