*Styles offered in Tall sizes have 2" in additional body length and 1½" in additional sleeve length.

Sizes listed are body measurements, not garment measurements. Measurements are displayed in inches.

How To Measure Your Body

- A — Chest:** Measure around the fullest part, keeping the measuring tape horizontal.
- B — Waist:** Measure around the narrowest part of waist (typically the small of your back and where body bends side to side), keeping the measuring tape horizontal.
- C — Hips:** Measure around the fullest part of your hips, keeping the measuring tape horizontal.
- D — Sleeve Length:** With arm relaxed at side and slightly bent, measure from the center back neck, across shoulder to elbow, and down to wrist.
- E — Inseam:** Measure from the top of your inner leg along the inside seam to the bottom of your leg.
- F — Neck:** Measure around the base of your neck.

Choosing The Right Size

If your body measurements for chest, waist, and hips result in different suggested sizes, order according to your largest measurement.
