Midco Apparel

The [Midco apparel ordering site](#) is provided by our partner AmeriPride. Employees can order Midco apparel and bags from the site.

Ordering Site Access and Ordering

- When the site launched in March 2016, AmeriPride sent each employee an individual email from an @AmeriPride.com email address. Each month, new employees are added to the site for access to order apparel.
- The email contains your AmeriPride user ID and instructions on how to set up your own account.
- Website purchasing requires a credit card as payment. The charge will display as “AmeriPride” on your credit card statement.
- All orders will now be shipped via FedEx to your home address rather than to Midco. Shipping typically occurs within 10 business days.
- Tax and shipping will be added to each purchase. The zip code on the shipping address will determine the applicable tax. You will be responsible for shipping charges. A shipping chart is available on the AmeriPride site.
- Each item is custom ordered and cannot be returned. However, if the item arrives damaged or if you determine there is a quality issue (within a reasonable amount of time), AmeriPride will work with you to get a fair resolution.
- As a reminder, when you wear Midco clothing, you are serving as a representative of the company. It is expected that your attire be clean and worn appropriately, and that your behavior aligns with our company values.
- No employee shall affix, adorn or otherwise alter any Midco clothing by adding patches, emblems, pins, and so forth, unless items have been preapproved by Marketing.
- Midco reserves the right to make changes to the website and clothing selection at any time.

If you have any questions about the purchasing process or the clothing offered on the ordering site, please contact Rhonda Erickson, Events and Promotions Manager, at Rhonda.Erickson@Midco.com or 605.357.5781.
